Exhibits
To enhance our conference, we are inviting representatives of companies with professionally relevant products and services to exhibit. For show space availability and additional information, contact Deborah McGee by email at deborah_mcgee@pediatrix.com.

Disclosure: The Pediatrix-Obstetrix Center for Research and Education must ensure balance, independence, objectivity, and scientific rigor in all its activities. Faculty participating in an educational activity are expected to disclose to the participants (1) any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in an educational presentation, (2) any significant financial interest or other relationship with any commercial supporter(s) of the activity, and (3) any off-label or investigational use of drug(s) or device(s) that are mentioned in the educational presentation or discussion of said presentation.

Conference Description
This conference focuses on current, dynamic and controversial issues in perinatal care. Expert faculty present strategies for identification and management of high risk pregnancies. Topics include pregnancy following bariatric surgery, obstetrical emergencies, thrombophilias, fetal echocardiography, magnesium sulfate therapy, anemia, obstetrical targets for litigation and surgical advances in the treatment of prematurely diagnosed lesions.

Course Objectives
Upon completion of this conference, the experienced professional will be better able to:
• Identify high risk patients and develop strategies for perinatal surveillance.
• Describe potential obstetrical emergencies and appropriate intervention.
• Identify strategies for managing unusual complications of pregnancy including immunization and thrombophilias.
• List the top ten obstetrical targets for litigation.
• Discuss advances in surgical treatment of prematurely diagnosed lesions.

Target Audience
Obstetricians, perinatologists, nurse practitioners, nurse midwives, obstetrical nurses and other professionals providing care to pregnant women and newborns.

Accreditation
Pediatrix Medical Group, Inc. is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Pediatrix Medical Group, Inc. designates this educational activity for a maximum of 7.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nursing Accreditation
The Pediatrix-Obstetrix Center for Research and Education is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. This program provides 8.6 continuing nursing education contact hours.

Conference Fee & Cancellation Policy
Registration includes program syllabus, continental breakfast, lunch and breaks on 9/29/06.
